Re: Grant Agreement

Dear Jonathan ,

I am pleased to inform you that GlobalGiving UK ("GlobalGiving") has approved a grant for £9,300 GBP to ASSOCIACAO DE APOIO A CRIANCA EM RISCO - ACER BRASIL (the "Grantee") in support of the charitable project:

- Girls soccer in Brazil, changing gender norms

The project's goal is to break gender norms in sports. The project will provide twice-weekly indoor soccer classes as an extracurricular activity for 240 female students across 6 elementary schools in Diadema, Brazil and will utilize safe spaces in schools to provide these young girls with educational workshops centered around women's health and hygiene, gender equality, and empowerment

This grant is made possible by a grant awarded to GlobalGiving UK from Flutter ("the Fund"). GlobalGiving UK is the lead organisation of the grant from Flutter. We have reviewed your project proposal and have determined that funding in support of your proposed project and your charitable purpose is consistent with GlobalGiving's charitable mission and Flutter's requirements.

You are responsible for delivering the project in accordance with this agreement and the Standard Terms and Conditions.

Please make sure you read the Fund's terms and conditions in full. In the event of a conflict between the terms of this agreement and the Fund's terms and conditions (outlined in Appendix B), the Fund's terms and conditions will take precedence.

If you have any questions about your grant or the grant agreement terms, please do not hesitate to contact your GlobalGiving Grants Manager, Jessica, who is your primary point of contact for the term of this grant, at jbenzipock@globalgiving.org.

On behalf of GlobalGiving's board of directors, staff, donors and supporters, we would like to thank you for the work of your organisation. We are honoured to be able to support your extraordinary work.

Sincerely,
Alex Ritchie
CEO, GlobalGiving UK

The following terms and conditions apply to this Grant:

1. Spending period

The Grant funds are to be expended between November 1, 2024 and October 31, 2025. Funds are not to be expended outside this period without receiving written approval in advance from GlobalGiving.

2. Separate fund

All Grant funds received must be maintained in a separate fund dedicated to the charitable purposes described in this agreement. Such a separate fund may be either (1) a physically separate bank account restricted to the described charitable purposes, or (2) a separate bookkeeping account, restricted to the described charitable purposes, maintained as a part of your financial records. GlobalGiving encourages, whenever feasible, the deposit of Grant funds in an interest-bearing account.

3. Use of funds

Grant funds and income earned on those funds must only be expended for charitable, religious, scientific, literary, or educational purposes as determined in the Charities Act 2011 (England & Wales legislation found at <https://www.legislation.gov.uk/ukpga/2011/25/contents>).

This Grant is made only for the purposes stated in this grant agreement; Grant funds are only to be expended in accordance with the budget in the proposal associated with this grant agreement. Expenditures are not to deviate substantially from the budget without receiving written approval in advance from GlobalGiving.

Financial records of all expenditures against Grant funds must be maintained such that the use of Grant funds can be verified readily and adequately. This includes, but is not limited to, all receipts, invoices or agreements. Proforma invoices must be retained to demonstrate a robust procurement process for services rendered.

4. Payment Schedule

GlobalGiving will pay the Grant funds according to the following schedule, provided that the Grantee is in compliance with the terms and conditions of this grant agreement at the time of the payment.

- £9,300 GBP upon receipt of the signed grant agreement and GlobalGiving's receipt of funds from Flutter.

5.a Reporting due dates

The Grantee agrees to submit short progress reports and a final report. You may also be subject to an in-person review of financial records before the final payment is made. The Grantee agrees to submit these reports by the following dates:

- Progress report due: May 31, 2025
- Final report due: November 30, 2025

The Grantee is wholly responsible for ensuring that reports are submitted on time. If written reports are not submitted to GlobalGiving on a timely basis, GlobalGiving may withhold further Grant payments, if any, to the Grantee and to any affiliate organisation under this agreement or under any other GlobalGiving grant agreement.

Delinquent or unsatisfactory reporting may also affect the grantee's eligibility for future grants from GlobalGiving.

5.b Reporting requirements

Reporting guidelines are described below and in the reporting templates provided by GlobalGiving.

Progress & Final report: Short description of the activities undertaken with funds from this Grant, as well as a description and analysis of metrics and processes relevant to this project. Both reports should also contain an assurance that the Grant activities have been conducted in conformity with the terms and conditions of the Grant.

6. Record Maintenance and Inspection

The Grantee must maintain records of receipts and expenditures and make its books and records available to GlobalGiving for inspection at reasonable times. GlobalGiving may monitor and conduct an evaluation of operations under this Grant, which may include a visit by GlobalGiving personnel to observe the Grant project, discuss the grant project with beneficiaries, and review financial and other records and materials connected with the activities financed by this Grant. Access to the records will be required by GlobalGiving, Flutter and the National Audit Office (in the UK) for a period of seven years from the termination of the grant agreement and should be available for inspection at reasonable times.

We expect the Grantee to report regularly and fully to all members of their governing body on the financial position of the organisation and to have in place and maintain procedures to avoid any conflict of interest arising from the provision of goods or services, or the employment of staff to deliver the project. We may request to review this policy.
